

TECHNAXX[®]
GERMANY

325W
Solar Panel
TX-213

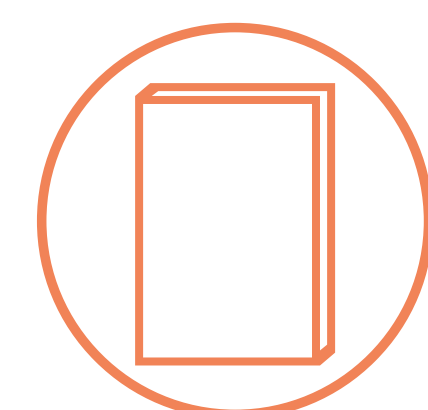

325W Solar Panel TX-213

54 (6x9) high efficiency monocrystalline solar cells

Modern solar cells with high efficiency 22.70%

High mechanical strength due to sturdy aluminum frame

TECHNAXX[®]
GERMANY

325W
Solar Panel
TX-213

Bypass diode
for improved current
efficiency with parallel and/or
series connection

325W Solar Panel TX-213

Anti-reflective and
dirt-repellent surface

Excellent performance in
low irradiance environments

325W **Solar Panel** **TX-213**

Compatibility: TX-203, TX-204
